Dear Supporter of Lone Peak Baseball:

We are looking forward to the start of a new baseball season; and in doing so we are looking for sponsors to help fund our program. Every year each Lone Peak baseball team member is required to do a fund-raiser and pay participation fees. The funds raised barely cover the cost of baseballs, umpires, and field equipment. Our facilities are improving each year because of our sponsors, but still fall short in comparison to other high schools in neighboring communities. We have had enormous support from the Lone Peak players and their families to get our field ready for play. We are still in need of sponsors to help support our programs.

Without community support and sponsors, the Lone Peak baseball program and its facilities would not be the quality the Lone Peak athletes are fortunate to enjoy. Thanks to all our supporters and sponsors.

Our High School does a fantastic job of helping fund the needs of our baseball program. However, given the number of extra curricular activities that need funding, the help can only go so far. The booster club depends heavily on businesses within our community to supplement our financial needs.

The student athletes commit a great deal of time and effort to meet their academic requirements and achieve a high level of success on the baseball field. Your contribution helps supply these student athletes with the tools necessary to achieve their athletic goals. Part of the responsibility of each team member is to find sponsors to contribute to our program.

With your contribution we plan to put your company name on a banner and display it at all of our home games. (See attached Sponsor Sheet). If the amounts listed on the Sponsor Sheet are not agreeable to you, any type of contribution will be very much appreciated.

We deeply appreciate the support that our business community provides for our baseball program and the student-athletes. We are grateful for your help and hope to have your support now and in the years to come.
